ACTEL SOFTWARE LICENSE

License Grant – Actel (“Licensor”) hereby grants you (“Licensee”) a nonexclusive, nontransferable license for a particular employee(s) designated by Licensee (“Designated Employee”) to use the Actel software, including all software documentation, functional cores or macros, and Intellectual Property (IP) cores (collectively “Software”). Licensee agrees that the Software may only be used for the purposes of designing semiconductor products proprietary to Licensee (“Purpose”). Licensee also agrees that the Software may only be used in machine readable (object code) form, and only one copy of the Software may be used by the Designated Employee on one computer at one time. Licensee may make up to two (2) copies of the Software (in machine readable (object code) form) for backup and archival purposes and for use only by the Designated Employee at her or his place of work, home or use on a portable computer used exclusively by the Designated Employee. Licensee agrees to ensure that copyright and other proprietary notices of Licensee are reproduced on all copies of the Software. Licensee may transfer the Software from one Designated Employee to a successor Designated Employee provided that the Licensee uses all reasonable precautions to ensure that the former Designated Employee neither retains any copies of the Software nor has further access to them. In all events, Licensee shall ensure that individuals who receive a copy of the Software from or through Licensee shall not distribute, copy, transfer, lend, incorporate, modify or use the Software for any purpose except as expressly provided herein. If the software was provided for limited term use, this license will automatically expire at the end of the authorized term.

Designated Employees are authorized to use floating licenses for Actel Software locally or globally within a secured local or wide area network.

Title - This license is not a sale, and you are not an owner of a copy of the Software. Title in the copyrights and all other proprietary rights in the Software, the enclosed copy of the Software, any copy made by you remain

with Actel. Unauthorized copying or failure to comply with the above restrictions will result in automatic termination of this license and will make available to Actel other legal remedies.

Restricted Use – Licensee agrees that the Software and its outputs may be used only for purposes of creating and testing logic designs for programming Actel Devices and programming such designs on Actel Devices, and for no other purpose. “Actel Devices” are programmable logic devices designed, manufactured, or sold by Actel through itself or its authorized distributors.

Protected Use - Licensee agrees to ensure that only permitted users of the Software will use the Software and to indemnify Actel from costs, losses and expenses of any kind resulting from unauthorized use or dissemination of the Software copy provided under this license and each copy and any code reproduced directly or indirectly from such copy, as well as any reverse engineering or decompilation of the software.

LIMITED WARRANTY AND DISCLAIMERS

Warranty - Actel warrants that for a period of ninety (90) days after the initial delivery of a particular Software product, the Software will substantially conform to Actel's published specifications for the Software if properly used in accordance with the corresponding documentation supplied by Actel. Actel's entire liability and Licensee's exclusive remedy under the warranty, which is subject to Licensee returning the defective item to Actel with a written statement of the defects, will be, at Actel's option,

- (a) to replace any defective media or
- (b) to replace the Software or use diligent efforts to provide Licensee with a correction of the defect or
- (c) to accept the return of the Software and refund the license fee to the Licensee.

Disclaimer - EXCEPT FOR THE ABOVE EXPRESSED LIMITED WARRANTIES, ACTEL MAKES AND THE LICENSEE RECEIVES NO WARRANTIES ON THE SOFTWARE, EXPRESS, IMPLIED, STATUTORY, OR IN ANY OTHER PROVISION OF THIS AGREEMENT OR COMMUNICATION WITH LICENSEE, AND ACTEL SPECIFICALLY DISCLAIMS ANY IMPLIED WARRANTY OF MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE. ACTEL DOES NOT WARRANT THAT THE OPERATION OF THE PRODUCTS BY LICENSEE WILL BE UNINTERRUPTED OR ERROR FREE.

Third-Party Suppliers - The software licensed under this Agreement may contain or be derived from portions of materials by third parties under license to Actel. SUCH THIRD PARTIES DISCLAIM ALL WARRANTIES EXPRESS OR IMPLIED WITH RESPECT TO THE USE OF SUCH MATERIALS IN CONNECTION WITH THE SOFTWARE, INCLUDING (WITHOUT LIMITATION) ANY WARRANTIES OF MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE. Any such third party may enforce the provisions of this Agreement to the extent such third party materials are affected. In addition, any limitation of liabilities described in the Agreement also apply to any third-party supplier of materials supplied to Licensee. Actel and its third-party supplier limitations of liabilities are not cumulative. All such third-party suppliers are intended beneficiaries of this section.

SOFTWARE MAINTENANCE

Maintenance Fee- Licensee has purchased, simultaneously with the purchase of a license to use the Software, the maintenance services set forth below, for a period of one (1) year following delivery of the Software to Licensee, at Actel's current maintenance fee. At the commencement of each subsequent of each subsequent year of maintenance services, Actel shall invoice Licensee for such year's maintenance service at Actel's then current maintenance fee, unless Actel terminates its obligation to perform such maintenance by giving Licensee ninety (90) days prior written notice of such termination. If Actel does not terminate its obligation to perform such maintenance, Actel will continue to perform the maintenance for one (1) additional year provided Licensee pays the invoiced maintenance fee. If Actel elects to terminate the maintenance services offered pursuant to this Agreement, Actel shall reimburse Licensee the pro-rata portion of the maintenance fee paid for which services will not be rendered due to the termination, and shall make available to Licensee its then standard maintenance services at its then current maintenance fees.

Maintenance Provided - Actel will provide Licensee with the following maintenance services if Licensee is entitled to such service pursuant to the above paragraph:

(1) Actel will use reasonable efforts to correct or provide a workaround for Software malfunctions (limited to malfunctions that substantially affect program performance and that can be demonstrated in the then most current release of the Software.

(2) Actel's technical support staff will provide telephone consultation on the use of the Software during Actel's normal business hours.

The foregoing services do not apply to problems in or arising out of any equipment, software, modifications or improvements supplied or made by anyone other than Actel and are subject to proper maintenance and operation of the products purchased by Licensee. The following services are further subject to Licensee performing its obligations under the following paragraph.

Licensee Obligations - Licensee agrees to provide Actel with such support and test time on Licensee's equipment, and information and technical support Actel requests in order to duplicate and remedy any problems for which Actel is providing the services described above.

CONFIDENTIAL INFORMATION

Licensee acknowledges and agrees that the Software contains highly confidential and proprietary information of Actel. Accordingly Licensee will not disclose such information to any third party. Licensee will not attempt to reverse engineer, decompile or otherwise attempt to derive the source code of the Software. Any use or attempted use of the Software in violation of the foregoing restrictions is a breach of this Agreement that will cause irreparable harm to Actel entitling Actel to injunctive relief in addition to all legal remedies.

SMARTTALK NOTICE

The SmartTalk feature, included with the Licensed Programs, enables Actel to collect limited information about the use of the Licensed Programs, Actel devices, and certain FPGA design attributes. The primary purpose of the SmartTalk feature is to assist Actel in understanding what silicon and software features are being used and how the Licensed Programs are used by our customers so more effort can be placed on improving the features that are most important to our users.

Information Collected

The information that Actel may collect through SmartTalk is listed below:

- Platform running Licensed Programs (e.g. operating system, number and speed of processors, amount of memory, etc.).
- Type of Actel software license and other license information (e.g. Eval, Gold or Platinum, floating or node-locked, license server OS, etc.).
- Software tools being used as part of Licensed Programs (e.g. design editors, synthesis, simulation, etc.) and the version/build number of these tools.
- Memory and runtime usage from the Licensed Programs.
- Software features used within the Licensed Programs.
- Devices being targeted (e.g. family, die, package, speed-grade).
- Silicon features being used (type of I/Os, RAM, etc.), silicon utilization (e.g. logic, memory and I/O utilization, etc.) and resultant device speed (e.g. achievable clock speed).
- Design constraint information (type of constraints, clock and timing requirements, I/O attributes, etc.).
- DirectCore IP and other Actel IP core usage (e.g. DirectCores downloaded into vault, DirectCores used in a design, etc.).
- Software errors.
- Information incidental to the collection and communication of the above information.

Note: Actel will not collect any information other than that listed above. For example, Actel SmartTalk does not collect any of the FPGA functional design data.

Transmission of Information

The information collected from SmartTalk will be written to XML files when the Licensed Programs are installed, and during execution of a Licensed Program. The XML files are transmitted to an external web server using https (a secure hypertext protocol).

The SmartTalk feature will maintain a limited number of XML files at any given time (both sent and unsent files). The XML files will also be limited in size. As new files are created and sent, existing files will be deleted. These files can be viewed as text files and can be found in the user local application data directory on Windows (typically %USERPROFILE%\Local Settings\Application Data\Actel\SmartTalk), and the user application directory on Unix (typically %HOME%/.actel/SmartTalk).

If an internet connection is not available or the https transmission fails, the XML files will be left on disk until a successful connection is achieved or the number of files on disk becomes greater than the maximum allowed. Files that have not yet been transmitted are named st_send*.xml while successfully transmitted files are named st_delete*.xml.

The SmartTalk feature and handling of information should have minimal, if any, impact on the memory/disk usage, runtime, and performance of the Licensed Programs or System.

Use and Disclosure of Collected Information

The SmartTalk feature will collect information that may be identified with an individual customer or user. By agreeing to this License Agreement, you hereby give your consent for Actel to use this information. The information collected by the SmartTalk feature may be used by Actel and its subsidiaries, distributors, sales representatives and OEM partners for product planning, software improvements, marketing (selective announcements of new products and services, distribution of marketing information, etc.) and sales. SmartTalk-collected information that may be identified with an individual customer or user will not be disclosed by Actel to any third parties other than its subsidiaries, distributors, sales representatives, web hosting providers, and OEM partners. Actel may disclose to anyone SmartTalk-collected information in aggregate or other form that cannot be identified with an individual customer or user.

Required Disclosures

In addition to the disclosures described above, Actel may disclose SmartTalk-collected information, with or without prior notice, when Actel believes that the law requires it, in response to subpoenas or at the demand of governmental agencies, to protect its systems or business, or to respond to an emergency.

Assignment

Actel reserves the right to transfer any and all information collected by the SmartTalk feature from users of the Licensed Programs to a third party in the event that Actel merges with, or sells or transfers substantially all of its assets related to the Licensed Programs to such third party.

Disabling / Enabling

Users may disable / enable the SmartTalk feature at any time from the Preferences dialog box in Project Manager and Designer.

LIMITATION OF LIABILITY

PURCHASE PRICE/LICENSE FEE - LICENSEE AGREES THAT ACTEL'S LIABILITY UNDER THIS AGREEMENT, REGARDLESS OF THE FORM OF ACTION, SHALL IN NO EVENT EXCEED THE PRICE OF THE ACTEL PRODUCTS PAID BY LICENSEE. IN NO EVENT WILL ACTEL BE LIABLE FOR COSTS OF REPLACEMENT OF SUBSTITUTE PRODUCTS OR SERVICES, LOST PROFITS, OR ANY SPECIAL, INDIRECT, CONSEQUENTIAL, OR INCIDENTAL DAMAGES, HOWEVER CAUSED AND ON ANY THEORY OF LIABILITY, ARISING IN ANY WAY OUT OF THIS AGREEMENT. THESE LIMITATIONS SHALL APPLY EVEN IF ACTEL HAS BEEN ADVISED OF THE POSSIBILITY OF SUCH DAMAGES, AND NOTWITHSTANDING ANY FAILURE OF

ESSENTIAL PURPOSE OF ANY LIMITED REMEDY PROVIDED HEREIN. LICENSEE ACKNOWLEDGES THAT THE LICENSE FEE AND PURCHASE PRICE REFLECT THIS ALLOCATION OF RISK.

EXPORT AND GOVERNMENT USE

Use Outside U.S. - Licensee may use the Software outside the United States only if Licensee takes reasonable precautions to protect Actel's copyrights and trade secrets in the Software in the foreign country in which the Software is used. In addition, before taking any copy of the Software, in whole or in part, outside the United States, or providing the Software to a foreign national, Licensee shall first comply with all requirements of the United States Office of Export Administration and other appropriate governmental authorities of the United States.

Government Use - Use, duplication or disclosure by the Government is subject to restrictions as set forth in FAR 52.227-19 Commercial Computer Software - Restricted Rights.

GENERAL

This Agreement will be governed by the laws of the State of California.

Failure or delay by Actel in enforcing any provision of this Agreement shall not be deemed a waiver of future enforcement of that or any other provision.

This Agreement is the entire agreement between the parties and supersedes any other communication or advertising with respect to the Software or Hardware and documentation delivered regarding the Software and Hardware.

This Agreement is not assignable by you.

If any provision of this Agreement is held invalid, the remainder of this Agreement shall continue in full force and effect.

Please direct all inquiries regarding Actel software, in writing, to Actel Corporation, 2061 Stierlin Court, Mountain View, California 94043.

EXHIBIT A: Synopsys Inc. Software License Agreement
Synplicity Software Products

This Software License and Maintenance Agreement ("Agreement") is a legal agreement between you ("Licensee") and the contracting Synopsys entity identified below ("Synopsys"). YOU MUST READ AND AGREE TO THE TERMS OF THIS AGREEMENT BEFORE ANY SOFTWARE CAN BE DOWNLOADED OR INSTALLED OR USED. BY CLICKING ON THE "ACCEPT" BUTTON OF THIS AGREEMENT, OR BY DOWNLOADING, INSTALLING OR USING SOFTWARE, YOU ARE AGREEING TO BE BOUND BY THE TERMS AND CONDITIONS OF THIS AGREEMENT. IF YOU DO NOT AGREE WITH THE TERMS AND CONDITIONS OF THIS AGREEMENT, THEN YOU SHOULD EXIT THIS PAGE AND NOT DOWNLOAD OR INSTALL OR USE ANY SOFTWARE. BY DOING SO YOU FOREGO ANY IMPLIED OR STATED RIGHTS TO DOWNLOAD OR INSTALL OR USE SOFTWARE AND YOU MAY RETURN IT TO THE PLACE YOU OBTAINED IT FOR A FULL REFUND (IF APPLICABLE).

Definition

"SOFTWARE" means the software product of Synopsys's Synplicity business group that Licensee has acquired, including related documentation (whether in print or electronic form), any authorization keys, authorization codes, and license files, and any updates or upgrades of such software provided by Synopsys.

License Grant

Synopsys grants to Licensee a non-exclusive license to (a) install the SOFTWARE, (b) use or authorize use internally of the SOFTWARE by up to the number of nodes for which Licensee has a license and for which Licensee has the security key(s) or authorization code(s) provided by Synopsys or its agents for the purpose of creating and modifying Designs (as defined below), and (c) copy the SOFTWARE only as follows: (i) to directly support authorized use under the license, and (ii) in order to make a reasonable number of copies of the SOFTWARE for backup purposes only.

Documentation License

In addition, Synopsys grants to Licensee a non-exclusive license to copy and distribute internally the documentation portion of the SOFTWARE in support of its license to use the program portion of the SOFTWARE.

Node-Locked and Floating Licenses

Node-Locked License

If Licensee has obtained the SOFTWARE under a node-locked license, then a "node" refers to a specific machine and the SOFTWARE may be installed only on the number of nodes indicated on the applicable Synopsys quote, must be used only on the node(s) on which it is installed, and may be accessed only by users who are physically present at that node. Further, a node-locked license may only be used by one user at a time running one (1) instance of the SOFTWARE at a time.

Floating License

If Licensee has obtained the SOFTWARE under a floating license, then a "session" refers to a concurrent user or session and the SOFTWARE may be used concurrently by up to the quantity of sessions or licenses indicated on the applicable Synopsys quote. All SOFTWARE must be used within the country for which the systems were licensed and at Licensee's Site; however, if Licensee has a floating license then remote use is permitted by employees who work at Licensee's Site but are temporarily telecommuting to that Licensee's Site from less than fifty (50) miles away (for example, an employee who works at a home office on occasion) as long as such access is through a secure network that requires a secure ID card or other protective security measures, but the maximum number of concurrent sessions or nodes still applies. For purposes of this Agreement, the "Licensee's Site" means a five (5) mile radius around (a) the location of the server on which the SOFTWARE resides, or (b) when a server is not required, the location of the client computer for which the license was issued, each as specified in the applicable Synopsys quote.

Evaluation License

If Licensee has obtained the SOFTWARE pursuant to an evaluation license, then, in addition to all other terms and conditions herein, the following restrictions apply: (a) the license to the SOFTWARE terminates after the period of time indicated on the SOFTWARE file (unless otherwise agreed to in writing by Synopsys); and (b) Licensee may use the SOFTWARE for the sole purpose of internal testing and evaluation to determine whether Licensee wishes to license the SOFTWARE on a commercial basis. Licensee shall not use the SOFTWARE to design any integrated circuits for production or pre-production purposes or any other commercial use including, but not limited to, for the benefit of Licensee's customers. If Licensee breaches any of the foregoing restrictions, then Licensee shall pay to Synopsys a license fee equal to Synopsys's perpetual list price plus maintenance for the commercial version of the SOFTWARE. Licensee agrees that damages for such a breach would be difficult to assess, and such payment represents a reasonable assessment of the potential damage to Synopsys. Licensee recognizes and agrees that this amount is a reasonable, liquidated amount and not a penalty.

Evaluation licenses are provided "AS IS." Therefore, the warranty and indemnification provisions of this Agreement do not apply to evaluation licenses.

Time-Based (Subscription) License

If Licensee has obtained a time-based license to the SOFTWARE, in addition to all other terms and conditions herein, the following restrictions apply:

- (a) Licensee is authorized to use the SOFTWARE only for a limited time (which time is indicated on the quotation or in the purchase confirmation documents);
- (b) Licensee's right to use the SOFTWARE terminates on the date the license term expires as set forth in the quotation or the purchase confirmation documents, unless Licensee has renewed the license by paying the applicable fees.

SOFTWARE Delivery

Electronic Software Transfer ("EST") where available, is Synopsys' default method of delivery of the SOFTWARE. If Licensee does not wish to receive the SOFTWARE via EST, then Licensee must note this preference on Licensee's purchase order. However, if Licensee was receiving a tax advantage based on EST delivery, and Licensee does not receive the same tax advantage when the SOFTWARE is delivered in tangible media, then Licensee shall be responsible for payment of all taxes associated with the receipt of the SOFTWARE in tangible form. Nothing herein is intended to modify or relieve Licensee's obligation to bear or reimburse all transaction taxes, as provided herein.

Licensee shall provide all information and documents reasonably requested by Synopsys for each Licensee location in order to effect delivery by EST. Upon the acceptance of an EST order by Synopsys, and the satisfaction of all Synopsys prerequisites prior to delivery, the SOFTWARE and Documentation will be made available to Licensee for electronic download from a Synopsys server. Synopsys or its authorized representative completes its obligation to deliver the SOFTWARE via EST at such time Synopsys or its authorized representative makes it available on a Synopsys or other authorized server and gives Licensee a method of accessing and downloading it. Licensee is responsible for: (i) notifying Synopsys of any change in the EST contact email address and (ii) obtaining access to the Internet and retrieving the fulfilled order from the Synopsys server. Delivery by EST is not available for any product which is "dongle" based. This includes all "Node-Locked" products as well as "Floating" licenses installed on a Windows NT or Linux operating system.

Copy Restrictions

SOFTWARE is protected by United States copyright laws and international treaty provisions and Licensee may only copy the SOFTWARE as explicitly set forth above. Any permitted copies must include all copyright and trademark notices.

Use Restrictions. This SOFTWARE is licensed to Licensee for internal use only. Licensee shall not (and shall not allow any third party to): (a) decompile, disassemble, reverse engineer or attempt to reconstruct, identify or discover any source code, underlying ideas, underlying user interface techniques or algorithms of the SOFTWARE by any means whatever, or disclose any of the foregoing; (b) host the SOFTWARE acquired under a node-locked license via the Internet or Intranet; (c) use the SOFTWARE for timesharing or service bureau purposes or otherwise circumvent the internal use restrictions; (d) modify, incorporate into or with other software, or create a derivative work of any part of the SOFTWARE; (e) disclose the results of any benchmarking of the SOFTWARE, or use such results for its own competing software development activities, without the prior written permission of Synopsys; (f) attempt to circumvent any user limits, maximum gate count limits or other license, timing or use restrictions that are built into the SOFTWARE; (g) use the SOFTWARE to create, modify, or simulate Designs for third parties; or (h) use the SOFTWARE in the development of any product if the failure or malfunction of that product could reasonably be expected to result in personal injury, death, or catastrophic loss.

Transfer Restrictions/No Assignment

The SOFTWARE may only be used under this license at Licensee's Site and on designated equipment as set forth in the license grant above, and may not be moved to a location other than the Licensee's Site or used on equipment other than the designated equipment or otherwise physically transferred without the prior written consent of Synopsys. Any permitted physical transfer of the SOFTWARE will require that Licensee executes a "Software Authorization Transfer Agreement" provided by Synopsys. Further, Licensee shall not sublicense, or assign (by operation of law, including change of control, merger, sale of assets, or otherwise) this Agreement or any of the rights or licenses granted under this Agreement, without the prior written consent of Synopsys. Any such unauthorized transfer will be ineffective, null, and void (and Licensee will be in breach of this Agreement).

Security

Licensee agrees to take all appropriate measures to safeguard the SOFTWARE and prevent unauthorized access or use thereof. Suggested ways to accomplish this include: (i) implementation of firewalls and other security applications, (ii) use of FLEXIm options file that restricts access to the SOFTWARE to identified users; (iii) maintaining and storing license information in paper format only; (iv) changing TCP port numbers every three (3) months; and (v) communicating to all authorized users that use of the SOFTWARE is subject to the restrictions set forth in this Agreement. Licensee shall monitor each end user's use of the SOFTWARE to ensure that the end user abides by the terms of this Agreement.

Ownership of the SOFTWARE

Synopsys retains all right, title, and interest in the SOFTWARE (including all copies), and all worldwide intellectual property rights therein. Synopsys reserves all rights not expressly granted to Licensee. This license is not a sale of the original SOFTWARE or of any copy.

Ownership of Design Techniques

"Design" means the representation of an electronic circuit or device(s), derived or created by Licensee through the use of the SOFTWARE in its various formats, including, but not limited to, equations, truth tables, schematic diagrams, textual descriptions, hardware description languages, and netlists. "Design Techniques" means the data, circuit and logic elements, libraries, algorithms, search strategies, rule bases, techniques and technical information incorporated in the SOFTWARE and employed in the process of creating Designs. Synopsys retains all right, title and interest in and to Design Techniques incorporated in the SOFTWARE, including all intellectual property rights embodied therein, provided that to the extent any Design Techniques are included as part of or embedded within Designs created by Licensee, Synopsys grants Licensee a personal, nonexclusive, nontransferable license to reproduce the Design Techniques and distribute such Design Techniques solely as incorporated into Licensee's Designs and not on a standalone basis. Additionally, Licensee acknowledges that Synopsys has an unrestricted, royalty-free right to incorporate any Design Techniques disclosed by Licensee into its software, documentation and other products, and to sublicense third parties to use those incorporated Design Techniques.

Protection of Confidential Information. "Confidential Information" means (a) as to Synopsys, the terms and conditions of this Agreement, the SOFTWARE, in object and source code form, the documentation, any license keys, and any related technology, idea, algorithm or information contained therein, including without limitation Design Techniques, and any trade secrets related to any of the foregoing; (b) each party's product plans, Designs, costs, prices and names; non-published financial information; marketing plans; business opportunities; personnel; research; development or know-how; and (c) any information designated by the disclosing party as confidential in writing or, if disclosed orally, designated as confidential at the time of disclosure and reduced to writing and designated as confidential in writing within thirty (30) days; provided, however that "Confidential Information" will not include information that: (i) is or becomes generally known or available by publication, commercial use or otherwise through no fault of the receiving party; (ii) is known and has been reduced to tangible form by the receiving party at the time of disclosure and is not subject to restriction; (iii) is independently developed by the receiving party without use of the disclosing party's Confidential Information; (iv) is lawfully obtained from a third party who has the right to make such disclosure; (v) is released for publication by the disclosing party in writing; or (vi) is an idea or suggestion that Licensee voluntarily provides to Synopsys (in any manner, whether in writing or orally or otherwise) regarding the SOFTWARE, documentation, or Design Techniques, including possible enhancements or improvements ("Feedback"). Synopsys may freely use and disseminate any Feedback Licensee provides, and Licensee agrees not to claim that Synopsys owes it any compensation for its use or dissemination of such Feedback.

Each party will protect the other party's Confidential Information from unauthorized disclosure and use with the same degree of care that each such party uses to protect its own like information but in no case less than reasonable care. Neither party will use the other's Confidential Information for purposes other than those necessary to directly further the purposes of this Agreement. Neither party will disclose to third parties the other's Confidential Information without the prior written consent of the other party or unless such disclosure is necessary to comply with a valid court order or subpoena. If Licensee believes that it must disclose Synopsys's Confidential Information to comply with a valid court order or subpoena, it must promptly notify Synopsys and cooperate with Synopsys if Synopsys chooses to contest the disclosure requirement, seek confidential treatment of the information to be disclosed, or to limit the nature or scope of the information to be disclosed.

Synopsys will do the same if it believes it must disclose your Confidential Information under similar circumstances.

Open Source Software

The SOFTWARE may be delivered with software that is subject to open source licensing terms ("Open Source Software") which are available at http://www.synopsys.com/sbgproducts_license_agreement/. If the Open Source Software license also requires source code to be made available, Licensee may reference http://www.synopsys.com/sbgproducts_license_agreement/ for information on how to obtain such source code. Licensee agrees that all Open Source Software shall be and shall remain subject to the terms and conditions under which it is provided. The Open Source Software is provided "AS IS," WITHOUT ANY WARRANTY OF ANY KIND, AND SYNOPSYS FURTHER DISCLAIMS ALL OTHER WARRANTIES, EXPRESS, IMPLIED OR STATUTORY, WITH RESPECT TO OPEN SOURCE SOFTWARE, INCLUDING BUT NOT LIMITED TO THE IMPLIED WARRANTIES OF NONINFRINGEMENT, MERCHANTABILITY AND FITNESS FOR A PARTICULAR PURPOSE. NEITHER SYNOPSYS NOR THE LICENSORS OF OPEN SOURCE SOFTWARE SHALL HAVE ANY LIABILITY FOR ANY DIRECT, INDIRECT, INCIDENTAL, SPECIAL, EXEMPLARY, OR CONSEQUENTIAL DAMAGES (INCLUDING WITHOUT LIMITATION LOST PROFITS), HOWEVER CAUSED AN ON ANY THEORY OF LIABILITY, WHETHER IN CONTRACT, STRICT LIABILITY, OR TORT (INCLUDING NEGLIGENCE OR OTHERWISE) ARISING IN ANY WAY OUT OF THE USE OR DISTRIBUTION OF THE ECLIPSE SOFTWARE, EVEN IF ADVISED OF THE POSSIBILITY OF SUCH DAMAGES. Copyrights to the Open Source Software are held by the copyright holders indicated in the copyright notices in the corresponding source files.

Audit Rights

With reasonable prior notice, Synopsys shall have the right to audit during Licensee's normal business hours all records and accounts as may contain information regarding Licensee's compliance with the terms of this Agreement. Synopsys shall keep in confidence all information gained as a result of any audit. In the event any audit discloses a breach of this Agreement, Synopsys reserves the right to terminate this Agreement and/or recover damages, attorney's fees, and costs, including the cost of the audit.

Fees and Payment

The fees for the SOFTWARE will be identified in the applicable Synopsys sales quotation or other agreement ("Purchasing Agreement") describing (among other things) the SOFTWARE Licensee has licensed, including pricing information. You agree to pay the fees according to the payment terms in the applicable Purchasing Agreement. If the applicable Purchasing Agreement does not contain specific payment terms for the fees in question, payment of those fees will be due within 30 days after the date of Synopsys's invoice. If you do not pay an amount by the Purchasing Agreement due date, Synopsys will have the right to terminate this Agreement and/or the Purchasing Agreement and accelerate the due date of all remaining payments. In this event, you will owe the entire outstanding balance as soon as you receive written notice from Synopsys that your payment is due. All payments you make to Synopsys are non-refundable. You may not offset any amounts you believe Synopsys owes you against any payments you make to Synopsys under this Agreement. You must make payments in U.S. dollars. If you do not pay an amount by the due date, you must also pay a late payment charge of 1.5% per month or the highest rate permitted by law, whichever is less. If you become the subject of any bankruptcy, dissolution, liquidation, or similar proceedings or make a general assignment for the benefit of your creditors, Synopsys may apply any payments you have previously made to Synopsys for products or services not yet delivered by Synopsys against any amounts you owe Synopsys at that time for products or services that have been delivered by Synopsys (under this Agreement or otherwise).

Taxes

You will be solely responsible for paying all taxes (including sales, use, consumption, withholding, and value-added taxes and similar taxes), other than Synopsys's income taxes, that are imposed on or result from your purchase, license, or use of Synopsys products and services. If Synopsys is required by law to collect and remit any such taxes, Synopsys may invoice you for such taxes and you agree to pay the invoiced amount to Synopsys. If you are required by the respective jurisdiction where the SOFTWARE is used, or where services are provided, to withhold taxes from payments to Synopsys, you may withhold from the total amount due to the respective Synopsys contracting entity the minimum amount required (but no more). You may only withhold taxes related to a payment at the time of such payment. You must then promptly pay that amount to the

appropriate tax authority and provide Synopsys with an official receipt for the payment within 60 days of your payment.

Termination

Synopsys may terminate this Agreement immediately if Licensee breaches any provision, including without limitation, failure by Licensee to implement adequate security measures as set forth above, provided that if the breach is curable, Synopsys will provide Licensee a fifteen (15) day period within which to cure the breach before terminating this Agreement. Upon notice of termination by Synopsys, all rights granted to Licensee under this Agreement will immediately terminate, and Licensee shall cease using the SOFTWARE and return or destroy all copies (and partial copies) of the SOFTWARE and documentation. The following provisions shall survive any termination or expiration of this Agreement: Ownership of SOFTWARE, Ownership of Design Techniques, Protection of Confidential Information, Audit Rights, Disclaimer, Limitation of Liability, Export and Miscellaneous, and shall certify in writing to Synopsys that Licensee has complied with these requirements. This Agreement expires upon expiration of the license granted herein. Licensee will remain obligated to pay any amounts it owes to Synopsys when this Agreement is terminated.

Maintenance Services

If you have purchased maintenance services, or your SOFTWARE license includes maintenance services (such as for certain time-based licenses), then you shall be entitled to the following (collectively, "Maintenance Services"): (a) Support: Synopsys will provide you with access to SolvNet and online Documentation, and will use commercially reasonable efforts to make available the Synopsys Support Center on Monday through Friday, between the hours of 9:00 AM and 5:00 PM Pacific time, excluding Synopsys's Purchasing Agreement holidays; and (b) Software Updates: Synopsys will use commercially reasonable efforts to provide error corrections to the SOFTWARE, as well as minor improvements to the SOFTWARE, as such corrections and improvements become generally available. Any other upgrades or enhancements to the SOFTWARE are not made available by Synopsys as part of Maintenance Services and may be subject to additional charges.

Conditions for Maintenance Services

Synopsys may update its Maintenance Services terms on 60 days prior written notice, provided that these updates are applied generally to its Maintenance Service customers. In order to receive Maintenance Services for SOFTWARE, all of the following conditions must be met: (i) you must have purchased Maintenance Services for such SOFTWARE (unless it is licensed under a certain time-based license, in which case Maintenance Services are included); (ii) you must appoint a qualified contact person to interface with Synopsys regarding Maintenance Services, and identify such person to Synopsys in advance; (iii) such qualified contact person must be trained in the use of such SOFTWARE; (iv) you must provide Synopsys with access to the information and system facilities reasonably necessary to provide the Maintenance Services; (v) you must follow the directions provided by the Synopsys Support Center to resolve technical problems; (vi) you must follow the operating instructions and procedures for the SOFTWARE as specified in the Documentation or provided by Synopsys; and (vii) you must notify Synopsys of any error or other problem in the SOFTWARE using Synopsys's current problem reporting procedure. Synopsys will have no obligation to provide Maintenance Services for any SOFTWARE that is damaged, modified (by anyone other than Synopsys), incorporated into other software, or installed in any computing environment not supported by Synopsys, or for any version of SOFTWARE other than the latest and immediately preceding version, or for any problems caused by your negligence, abuse, misuse, or by any causes beyond Synopsys's reasonable control.

ViewConnect

If you wish to permit Synopsys to deliver Maintenance Services through the use of a shared customer desktop, you must download and install the ViewConnect Tool and related publicly-available, third-party software modules. You are not required to use the ViewConnect Tool, but if you choose to do so, you have the nonexclusive right to use the ViewConnect Tool only to enable Synopsys to remotely access your computer system for the purpose of providing Maintenance Services. Your rights to the third-party software modules are separately described in their accompanying license terms. Neither the limited warranty nor the intellectual property infringement provision of this Agreement applies to the ViewConnect Tool or to the third-party software modules. The ViewConnect Tool is licensed "as is," and Synopsys makes no warranties, express, implied, statutory, or otherwise, regarding the ViewConnect Tool. Synopsys disclaims all liability of any kind in

connection with such third-party software modules, and specifically disclaims any implied warranties of noninfringement, title, merchantability, or fitness for a particular purpose, or arising from a course of dealing or usage of trade both with respect to the ViewConnect Tool and the third-party software modules.

Limited Warranty

Synopsys warrants that the program portion of the SOFTWARE will perform substantially in accordance with the accompanying documentation for a period of ninety (90) days from the date of delivery. Synopsys's entire liability and Licensee's exclusive remedy for a breach of the preceding limited warranty shall be, at Synopsys's option, either (a) return of the license fee, or (b) providing a fix, patch, work-around, or replacement of the SOFTWARE. In either case, Licensee must return the SOFTWARE to Synopsys with a copy of the purchase receipt or similar document. Replacements are warranted for the remainder of the original warranty period or thirty (30) days, whichever is longer. Some states/jurisdictions do not allow such limitations, so the above limitation may not apply.

Disclaimer

EXCEPT AS EXPRESSLY SET FORTH ABOVE, TO THE MAXIMUM EXTENT PERMITTED BY LAW, NO OTHER WARRANTIES OR CONDITIONS, EITHER EXPRESS, IMPLIED, STATUTORY OR OTHERWISE, ARE MADE BY SYNOPSIS OR ITS LICENSORS WITH RESPECT TO THE SOFTWARE AND THE ACCOMPANYING DOCUMENTATION, AND SYNOPSIS EXPRESSLY DISCLAIMS ALL WARRANTIES AND CONDITIONS NOT EXPRESSLY STATED HEREIN, INCLUDING BUT NOT LIMITED TO THE IMPLIED WARRANTIES OR CONDITIONS OF MERCHANTABILITY, NONINFRINGEMENT, FITNESS FOR A PARTICULAR PURPOSE, SATISFACTORY QUALITY, AND ANY WARRANTIES ARISING FROM A COURSE OF DEALING OR USAGE OF TRADE. WITHOUT LIMITING THE FOREGOING, SYNOPSIS AND ITS LICENSORS DO NOT WARRANT THAT THE FUNCTIONS CONTAINED IN THE SOFTWARE WILL MEET LICENSEE'S REQUIREMENTS, BE UNINTERRUPTED OR ERROR FREE, OR THAT ALL DEFECTS IN THE PROGRAM WILL BE CORRECTED.

Licensee assumes the entire risk as to the results and performance of the SOFTWARE.

Limitation of Liability

TO THE MAXIMUM EXTENT PERMITTED BY LAW, IN NO EVENT SHALL SYNOPSIS OR ITS LICENSORS OR THEIR AGENTS BE LIABLE FOR ANY INDIRECT, SPECIAL, CONSEQUENTIAL OR INCIDENTAL DAMAGES WHATSOEVER (INCLUDING, WITHOUT LIMITATION, DAMAGES FOR LOSS OF BUSINESS PROFITS, BUSINESS INTERRUPTIONS, LOSS OF BUSINESS INFORMATION, OR OTHER PECUNIARY LOSS) ARISING OUT OF THE USE OF OR INABILITY TO USE THE SOFTWARE, EVEN IF SYNOPSIS AND/OR ITS LICENSORS HAVE BEEN ADVISED OF THE POSSIBILITY OF SUCH DAMAGES. FURTHER, IN NO EVENT SHALL SYNOPSIS'S LICENSORS BE LIABLE FOR ANY DIRECT DAMAGES ARISING OUT OF LICENSEE'S USE OF THE SOFTWARE. IN NO EVENT WILL SYNOPSIS BE LIABLE TO LICENSEE FOR DAMAGES IN AN AMOUNT GREATER THAN THE FEES PAID FOR THE USE OF THE PARTICULAR SOFTWARE AT ISSUE. Without limiting the foregoing, the SOFTWARE may embody a method to protect the security of Designs; however, Synopsys does not warrant the effectiveness of such method and shall have no liability resulting from any failure thereof. Some states/jurisdictions do not allow the limitation or exclusion of incidental or consequential damages, so the above limitations or exclusions may not apply. The limitations of liability in this section are a fundamental part of this Agreement and enable Synopsys to provide products and services to Licensee at lower prices. These limitations of liability are intended to apply even if an exclusive remedy is found to have failed of its essential purpose.

Safe Operation

THE SOFTWARE IS NOT DESIGNED OR INTENDED FOR DESIGNING COMPONENTS FOR EQUIPMENT INTENDED FOR SURGICAL IMPLANT INTO THE BODY, OR OTHER APPLICATIONS INTENDED TO SUPPORT OR SUSTAIN LIFE, FOR USE IN FLIGHT CONTROL OR ENGINE CONTROL EQUIPMENT WITHIN AN AIRCRAFT, OR FOR ANY OTHER APPLICATION IN WHICH THE FAILURE THEREOF COULD CREATE A SITUATION IN WHICH PERSONAL INJURY OR DEATH MAY OCCUR, AND LICENSEE SHALL HAVE NO RIGHTS HEREUNDER FOR ANY SUCH APPLICATIONS.

Intellectual Property Right Infringement

Synopsys will, at its expense, defend or, at its option, settle any claim or action brought against Licensee to the extent it is based on a third party claim that the SOFTWARE as used pursuant to this Agreement infringes or violates any United States patent issued before the delivery date of the subject SOFTWARE, copyright, trade secret or trademark of any third party, and Synopsys will indemnify and hold Licensee harmless from and against any damages, costs and fees awarded in such claim or action; provided that Licensee provides Synopsys with (a) prompt written notification of the claim or action; (b) sole control and authority over the defense or settlement thereof (including all negotiations); and (c) at Synopsys's expense, all available information, assistance and authority to settle and/or defend any such claim or action. Synopsys's obligations under this subsection do not apply to the extent that (i) such claim or action would have been avoided but for modifications of the SOFTWARE, or portions thereof, other than modifications made by Synopsys after delivery to Licensee; (ii) such claim or action would have been avoided but for the combination or use of the SOFTWARE, or portions thereof, with other products, processes or materials not supplied or specified in writing by Synopsys; (iii) Licensee continues allegedly infringing activity after being notified thereof or after being informed of modifications that would have avoided the alleged infringement; or (iv) Licensee's use of the SOFTWARE is not strictly in accordance with the terms of this Agreement. Licensee will be liable for all damages, costs, expenses, settlements and attorneys' fees related to any claim of infringement arising as a result of (i)-(iv) above.

If the SOFTWARE becomes or, in the reasonable opinion of Synopsys is likely to become, the subject of an infringement claim or action, Synopsys may, at Synopsys's option and at no charge to Licensee, (a) obtain a license so Licensee may continue use of the SOFTWARE; (b) modify the SOFTWARE to avoid the infringement; (c) replace the SOFTWARE with a compatible, functionally equivalent, and non-infringing product, or (d) terminate the licenses granted hereunder and refund to Licensee the amount paid for the SOFTWARE, as depreciated on a straight-line 5-year basis, or such other shorter period applicable to time-based licenses. THE FOREGOING PROVISIONS OF THIS SECTION STATE THE ENTIRE AND SOLE LIABILITY AND OBLIGATIONS OF SYNPLICITY, AND THE EXCLUSIVE REMEDY OF LICENSEE, WITH RESPECT TO ANY ACTUAL OR ALLEGED INFRINGEMENT OF ANY INTELLECTUAL PROPERTY RIGHTS BY THE SOFTWARE (INCLUDING DESIGN TECHNIQUES) AND DOCUMENTATION.

Export

Licensee agrees that the goods, software, and technology subject to this Agreement are subject to the export control laws and regulations of the United States, including but not limited to the Export Administration Regulations ("EAR"), and sanctions regulations of the U.S. Department of Treasury, Office of Foreign Asset Controls and that Licensee will comply with these laws and regulations. Without limiting the foregoing, Licensee will not, without a U.S. Bureau of Industry and Security license or license exception, (i) export, re-export, or transfer any technology, software, or source code subject to this Agreement, either directly or indirectly, to any national of any country identified in Country Groups D:1 or E:2 as defined in the EARs, or (ii) export to any country identified in Country Groups D:1 or E:2 the direct product of the technology, software or source code, if such foreign produced product is subject to the national security controls as identified on the Commerce Control List ("CCL"). In addition, goods, software and any technology subject to this Agreement may not be exported, re-exported, or transferred to (a) to any person or entity listed on the "Entity List", "Denied Persons List" or the list of "Specifically Designated Nationals and Blocked Persons" as such lists are maintained by the U.S. Government, or (b) an end-user engaged in activities related to weapons of mass destruction. Such activities include but are not necessarily limited to activities related to: (1) the design, development, production, or use of nuclear materials, nuclear facilities, or nuclear weapons; (2) the design, development, production, or use of missiles or support of missiles projects; and (3) the design, development, production, or use of chemical or biological weapons. Licensee agrees to indemnify, to the fullest extent permitted by law, Synopsys from and against any fines or penalties that may arise as a result of Licensee's breach of this provision.

Language

This Agreement is in the English language only, which language shall be controlling in all respects, and all versions hereof in any other language shall not be binding on the parties hereto. All communications and notices to be made or given pursuant to this Agreement shall be in the English language.

Government Users

If the SOFTWARE is licensed to the United States government or any agency thereof, then the SOFTWARE and any accompanying documentation will be deemed to be "commercial computer software" and "commercial computer software documentation", respectively, pursuant to 48 C.F.R. 227.7202-1, 227.7202-3, and 48 C.F.R. 12.212, as applicable. Any use, reproduction, release, performance, display or disclosure of the SOFTWARE and accompanying documentation by the U.S. Government will be governed solely by the terms of this Agreement and are prohibited except to the extent expressly permitted by the terms of this Agreement.

Contracting Synopsys Entity

The specific Synopsys entity with which you are contracting under this agreement depends on the country to which the SOFTWARE is delivered when you obtain it from Synopsys. If the SOFTWARE is delivered to you in a country in the Americas or Africa, the contracting Synopsys entity is Synopsys, Inc., with a principal place of business at 700 E. Middlefield Road, Mountain View, California 94043, USA. If the SOFTWARE is delivered to you in Taiwan, the contracting Synopsys entity is Synopsys International Limited Taiwan Branch, with a principal place of business at Taipei, Room 3108, 31F, 333, Section 1, Keelung Road, Taipei 110, Taiwan. If the SOFTWARE is delivered to you in Hungary, Australia, Belarus, Bulgaria, Israel, Poland, the Republic of Korea, Romania, Russia, Ukraine or Vietnam, the contracting Synopsys entity is Synopsys Global Kft, with a principal place of business at Kővárosi út 1, 5th Floor, Budapest 1054, Hungary. If the SOFTWARE is delivered to you in any country other than those identified above, the contracting Synopsys entity is Synopsys International Limited, with a principal place of business at Block One Blanchardstown Corporate Park, Blanchardstown, Dublin 15, Ireland.

Synopsys Entities

Synopsys, Inc. and its wholly-owned subsidiaries, including Synopsys International Limited, Synopsys International Limited Taiwan Branch, Synopsys Global Kft, and Nihon Synopsys Co., Ltd., have agreed to their respective rights and obligations regarding the distribution of the SOFTWARE and the performance of obligations related to the SOFTWARE. You acknowledge that: (i) Synopsys Inc. or any directly or indirectly wholly-owned subsidiary or branch of Synopsys, Inc. may treat a purchase order addressed to that entity, representative office or branch as having been addressed to the appropriate entity or entities or branch with distribution rights for the geographic region in which the SOFTWARE will be used; and (ii) delivery will be completed by the Synopsys entity or branch with distribution rights for the geographic region in which the SOFTWARE will be used or service will be provided. Amendments. This Agreement may be amended only by means of a written instrument signed by authorized representatives of both parties that specifically refers to this Agreement and states the parties' intention to amend it. No additional or inconsistent terms on any purchase order or similar document you may submit to Synopsys will be binding on Synopsys or have any legal effect.

Miscellaneous

This Agreement is the entire agreement between Licensee and Synopsys with respect to the license to the SOFTWARE, and supersedes any previous oral or written communications or documents (including, if you are obtaining an update, any agreement that may have been included with the initial version of the SOFTWARE). This Agreement is governed by the laws of the State of California, USA excluding its conflicts of laws principles. The federal and state courts located in Santa Clara County, California have exclusive jurisdiction over any disputes arising from or relating to this Agreement, and each party consents to such jurisdiction and venue. This Agreement will not be governed by the U. N. Convention on Contracts for the International

Sale of Goods. If any provision, or portion thereof, of this Agreement is found to be invalid or unenforceable, it will be enforced to the extent permissible under applicable law and the remainder of this Agreement will remain in full force and effect. Failure to prosecute a party's rights with respect to a default hereunder will not constitute a waiver of the right to enforce rights with respect to the same or any other breach. Each party will be excused from performance of its obligations under this Agreement, except payment obligations, to the extent that performance is rendered impossible by earthquake, fire, flood, governmental action, labor disruptions, supplier failures, or any other event or circumstance beyond that party's reasonable control. Except where this Agreement expressly provides exclusive remedies, all rights and remedies of either party (including termination rights) are cumulative. Licensee agrees that monetary damages alone would not be an adequate remedy, and

therefore Synopsys will be entitled to injunctive relief if Licensee materially breaches the license restrictions or confidentiality provisions in this Agreement. The prevailing party in any action to enforce this Agreement will be entitled to recover costs and expenses including reasonable attorneys' fees. Section headings in this Agreement are for convenience only. The word "including" (and variations thereof) is not intended to be limiting. No rule of strict construction is to be used when interpreting this Agreement. The parties to this Agreement are independent contractors. Neither party is the agent or partner of the other party, or has any power or authority to act on behalf of the other party. This Agreement may be signed in multiple counterparts, each of which will be deemed an original and which together will constitute one instrument.

EXHIBIT B

MENTOR GRAPHICS END USER LICENSE AGREEMENT

IMPORTANT - USE OF THIS SOFTWARE IS SUBJECT TO LICENSE RESTRICTIONS. CAREFULLY READ THIS LICENSE

AGREEMENT BEFORE USING THE SOFTWARE

This license is a legal "Agreement" between you, the end user, either individually or as an authorized representative for the company purchasing the license, and Mentor Graphics Corporation, Mentor Graphics (Ireland) Limited, Mentor Graphics (Singapore) Private Limited, and their majority owned subsidiaries ("Mentor Graphics") concerning the use of Software. USE OF SOFTWARE INDICATES YOUR COMPLETE AND UNCONDITIONAL ACCEPTANCE OF THE TERMS AND CONDITIONS SET FORTH IN THIS AGREEMENT. If you do not agree to these terms and conditions, please promptly return, or, if received electronically, certify destruction of Software and all accompanying items within 10 days after receipt of Software and receive a full refund of any license fee paid.

END USER LICENSE AGREEMENT

1. GRANT OF LICENSE. The associated software programs you are installing, downloading, or acquired with this Agreement, including any updates, modifications, revisions, copies, and documentation ("Software") are copyrighted, trade secret and confidential information of Mentor Graphics or its licensors who maintain exclusive title to all Software and retain all rights not expressly granted by this Agreement. Mentor graphics or its authorized distributor grants to you, subject to a payment of appropriate license fees, a nontransferable, nonexclusive license to use Software solely: (a) in machine-readable, object-code form; (b) for your internal business purposes; and (c) on the computer hardware or at the site for which an applicable license fee is paid, or as authorized by Mentor Graphics. A site is restricted to a one-half mile (800 meter) radius. Mentor Graphics' then-current standards policies, which vary depending on Software, license fees paid or service plan purchased, apply to the following and are subject to change: (a) relocation of Software; (b) use of Software, which may be limited, for example, to execution of a single session by a single user on the authorized hardware or for a restricted period of time (such limitations may be communicated and technically implemented through the use of authorization codes or similar devices); (c) eligibility to receive updates, modifications, and revisions; and (d) support services provided. Current standard policies are available upon request.

2. ESD SOFTWARE. If you purchased a license to use embedded software development ("ESD") Software, Mentor Graphics or its authorized distributor grants to you a nontransferable, nonexclusive license to reproduce and distribute executable files created using ESD compilers, including the ESD runtime libraries distributed with ESD C and C++ compiler Software that are linked into a composite program as in integral part of your compiled computer program, provided that you distribute these files only in conjunction with your compiled computer program. Mentor Graphics does NOT grant you any right to duplicate or incorporate copies of Mentor Graphics real-time operating systems or other ESD Software, except those explicitly granted in this section, into your products without first signing a separate agreement with Mentor Graphics for such purpose.

3. BETA CODE

3.1 Portions or all of certain Software may contain code for experimental testing and evaluation ("Beta Code"), which may not be used without Mentor Graphics' explicit authorization. Upon Mentor Graphics' authorization, Mentor Graphics grants to you a temporary, nontransferable, nonexclusive license for experimental use to test and evaluate the Beta Code without charge for a limited period of time specified by Mentor Graphics. This grant

and your use of the Beta Code shall not be construed as marketing or offering to sell a license to the Beta Code, which Mentor Graphics may choose not to release commercially in any form.

3.2 If Mentor Graphics authorizes you to use the Beta Code, you agree to evaluate and test the Beta Code under normal conditions as directed by Mentor Graphics. You will contact Mentor Graphics periodically during your use of the Beta Code to discuss any malfunctions or suggested improvements. Upon completion of your evaluation and testing, you will send to Mentor Graphics a written evaluation of the Beta Code, including its strengths, weaknesses and recommended improvements.

3.3 You agree that any written evaluations and all inventions, product improvements, modifications or developments that Mentor Graphics conceives or makes during or subsequent to this Agreement, including those based partly or wholly on your feedback, will be the exclusive property of Mentor Graphics. Mentor Graphics will have exclusive rights, title and interest in all such property. The provisions of this subsection shall survive termination or expiration of this Agreement.

4. RESTRICTIONS ON USE. You may copy Software only as reasonably necessary to support your authorized use. Each copy must include all notices and legends embedded in Software and affixed to its medium and container as received from Mentor Graphics. All copies shall remain the property of Mentor Graphics or its licensors. You shall maintain a record of the number and primary location of all copies of Software, including copies merged with other software, and shall make those records available to Mentor Graphics upon request. You shall not make Software available in any form to any person other than end users of your employer whose job performance requires access. You shall take appropriate action to protect the confidentiality of Software and ensure that any person permitted access to software does not disclose it or use it except as permitted by this Agreement. Except as otherwise permitted by the European Union Software Directive or local law, you shall not reverse-assemble, reverse-compile, reverse-engineer or in any way derive from Software any source code. You may not sublicense, assign, or otherwise transfer Software, this Agreement or the rights under it without Mentor Graphics' prior written consent. The provisions of this section shall survive the termination or expiration of this agreement.

5. LIMITED WARRANTY

5.1 Mentor Graphics warrants that during the warranty period Software, when properly installed, will substantially conform to the functional specifications set forth in the applicable user manual. Mentor Graphics does not warrant that software will meet your requirements or that operation of Software will be uninterrupted or error free. The warranty period is 90 days starting on the 15th day after delivery or upon installation, whichever first occurs. You must notify Mentor Graphics in writing of any nonconformity within the warranty period. This warranty shall not be valid if Software has been subject to misuse, unauthorized modification or installation. MENTOR GRAPHICS ENTIRE LIABILITY AND YOUR EXCLUSIVE REMEDY SHALL BE, AT MENTOR GRAPHICS OPTION, EITHER (A) REFUND OF THE PRICE PAID UPON RETURN OF SOFTWARE TO MENTOR GRAPHICS, OR (B) MODIFICATION OR REPLACEMENT OF SOFTWARE THAT DOES NOT MEET THIS LIMITED WARRANTY, PROVIDED YOU HAVE OTHERWISE COMPLIED WITH THIS AGREEMENT. MENTOR GRAPHICS MAKES NO WARRANTIES WITH RESPECT TO (A) SERVICES, (B) SOFTWARE WHICH IS LOANED TO YOU FOR A LIMITED TERM OR AT NO COST, OR (C) EXPERIMENTAL BETA CODE; ALL OF WHICH IS PROVIDED "AS IS."

5.2 THE WARRANTIES SET FORTH IN THIS SECTION 5 ARE EXCLUSIVE. NEITHER MENTOR GRAPHICS NOR ITS LICENSORS MAKE ANY OTHER WARRANTIES, EXPRESS OR IMPLIED, WITH RESPECT TO SOFTWARE OR OTHER MATERIAL PROVIDED UNDER THIS AGREEMENT. MENTOR GRAPHICS AND ITS LICENSORS SPECIFICALLY DISCLAIM ALL IMPLIED WARRANTIES OF MERCHANTABILITY AND FITNESS FOR A PARTICULAR PURPOSE.

6. LIMITATION OF LIABILITY EXCEPT WHERE THIS EXCLUSION OR RESTRICTION OF LIABILITY WOULD BE VOID OR INEFFECTIVE UNDER APPLICABLE STATE OR REGULATION, IN NO EVENT SHALL MENTOR GRAPHICS OR ITS LICENSORS BE LIABLE FOR INDIRECT, SPECIAL, INCIDENTAL, OR CONSEQUENTIAL DAMAGES (INCLUDING LOST PROFITS OR SAVINGS) WHETHER BASED ON CONTRACT, TORT OR ANY OTHER LEGAL THEORY, EVEN IF MENTOR GRAPHICS OR ITS LICENSORS HAVE BEEN ADVISED OF THE POSSIBILITY OF SUCH DAMAGES. IN NO EVENT SHALL MENTOR GRAPHICS OR ITS LICENSORS' LIABILITY UNDER THIS AGREEMENT EXCEED THE AMOUNT PAID BY YOU FOR SOFTWARE OR SERVICE GIVING RISE TO THE CLAIM. IN THE CASE WHERE NO AMOUNT WAS PAID, MENTOR GRAPHICS AND ITS LICENSORS SHALL HAVE NO LIABILITY FOR ANY DAMAGES WHATSOEVER.

7. LIFE ENDANGERING ACTIVITIES. NEITHER MENTOR GRAPHICS NOR ITS LICENSORS SHALL BE LIABLE FOR ANY DAMAGES RESULTING FROM OR IN CONNECTION WITH THE USE OF SOFTWARE IN

ANY APPLICATION WHERE THE FAILURE OR INACCURACY OF THE SOFTWARE MIGHT RESULT IN DEATH OR PERSONAL INJURY. YOU AGREE TO INDEMNIFY AND HOLD HARMLESS MENTOR GRAPHICS AND ITS LICENSORS FROM ANY CLAIMS, LOSS, COST, DAMAGE, EXPENSE, OR LIABILITY, INCLUDING ATTORNEYS' FEES, ARISING OUT OF OR IN CONNECTION WITH SUCH USE.

8. INFRINGEMENT

8.1 Mentor Graphics will defend or settle, at its option and expense, an action brought against you alleging that Software infringes a patent or copyright in the United States, Japan, Switzerland, Norway, Israel, Egypt, Or the European Union. Mentor Graphics will pay any costs and damages finally awarded against you that are attributable to the claim, provided that you (a) notify Mentor Graphics promptly in writing of the action; (b) provide Mentor Graphics all reasonable information and assistance to settle or defend the claim; and (c) grant Mentor Graphics sole authority and control of the defense or settlement of the claim.

8.2 If an infringement claim is made, Mentor Graphics may, at its option and expense, either (a) replace or modify Software so that it becomes non-infringing or (b) procure for you the right to continue using Software. If mentor Graphics determines that neither of those alternatives is financially practical or otherwise reasonably available, Mentor Graphics may require the return of the Software and refund to you any license fee paid, less a reasonable allowance for use.

8.3 Mentor Graphics has no liability to you if the alleged infringement is based upon: (a) the combination of Software with any product not furnished by Mentor Graphics; (b) the modification of Software other than by Mentor Graphics; (c) the use of other than a current unaltered release of Software; (d) the use of Software as part of an infringing process; (e) a product that you design or market; (f) any Beta Code contained in Software; or (g) any Software provided by Mentor Graphics' licensors which do not provide such indemnification to Mentor Graphics' customers.

8.4 THIS SECTION 8 STATES THE ENTIRE LIABILITY OF MENTOR GRAPHICS AND ITS LICENSORS AND YOUR SOLE AND EXCLUSIVE REMEDY WITH RESPECT TO ANY ALLEGED PATENT OR COPYRIGHT INFRINGEMENT BY ANY SOFTWARE LICENSED UNDER THIS AGREEMENT.

9. TERM. This Agreement remains effective until expiration or termination. This Agreement will automatically terminate if you fail to comply with any term or condition of this Agreement or if you fail to pay for the license when due and such failure to pay continues for a period of 30 days after written notice from Mentor Graphics. If Software was provided for limited term use, this Agreement will automatically expire at the end of the authorized term. Upon any termination or expiration, you agree to cease all use of Software and return it to Mentor Graphics or certify deletion and destruction of Software, including all copies, to Mentor Graphics reasonable satisfaction.

10. EXPORT. Software is subject to regulation by local laws and United States government agencies, which prohibit export or diversion of certain products, information about the products, and direct products of the products to certain countries and certain persons. You agree that you will not export in any manner any Software or direct product of Software, without first obtaining all necessary approval from appropriate local and United States government agencies.

11. RESTRICTED RIGHTS NOTICE. Software has been developed entirely at private expense and is commercial computer software provided with RESTRICTED RIGHTS. Use, duplication or disclosure by the U.S. Government or a U.S. Government subcontractor is subject to the restrictions set forth in the license agreement under which Software was obtained pursuant to DFARS 227.7202-3(a) or as set forth in subparagraphs (c)(1) and (2) of the Commercial Computer Software - Restricted Rights clause at FAR 52.227-19, as applicable. Contractor/manufacturer is Mentor Graphics Corporation, 8005 Boeckman Road, Wilsonville, Oregon 97070-7777 USA.

12. THIRD PARTY BENEFICIARY. For any Software under this Agreement licensed by Mentor Graphics from Microsoft or other licensors, Microsoft or the applicable licensor is a third party beneficiary of this Agreement with the right to enforce the obligations set forth in this agreement.

13. CONTROLLING LAW. This Agreement shall be governed by and construed under the laws of Ireland if the Software is licensed for use in Israel, Egypt, Switzerland, Norway, South Africa, or the European Union, the laws of Japan if the Software is licensed for use in Japan, the laws of Singapore if the Software is licensed for use in Singapore, People's Republic of China, Republic of China, India, or Korea, and the laws of Oregon if the Software is licensed for use in the United States of America, Canada, Mexico, South America or anywhere else worldwide if not otherwise provided for in this section.

14. SEVERABILITY. If any provision of this Agreement is held by a court of competent jurisdiction to be void, invalid, unenforceable or illegal, such provision shall be severed from this Agreement and the remaining provisions will remain in force and effect.

15. MISCELLANEOUS. This Agreement contains the entire understanding between the parties relating to its subject matter and supercedes all prior or contemporaneous agreements, including but not limited to any purchase order terms and conditions, except valid license agreements related to the subject matter of this Agreement which are physically signed by you and an authorized agent of Mentor Graphics. This Agreement may only be modified by a physically signed writing between you and an authorized agent of Mentor Graphics. EXHIBIT J: gSOAP

Open Source Versus Commercial Licenses for the gSOAP Software

Parts of gSOAP are distributed under:

- The [gSOAP Public License 1.3](#) (which is based on the [Mozilla public license 1.1](#)). Components **not** covered by the gSOAP Public License are wsdl2h and its source code output, UDDI, and several sample applications, see note below.
- [GPL](#) (GNU Public License, a common open-source software license) covers all of gSOAP for non-commercial and educational use.
- Proprietary [commercial software development licenses](#) for the **standard edition**. The standard edition is exactly identical to the open source version of gSOAP, but without the GPL licensing limitations. There is also an **enterprise edition** that offers the gold standard toolset.

The software is offered under GPL terms and conditions to allow the software to be used with open source GPL projects, educational use, and so on. We do not accept third-party GPL contributions to avoid having to fork the code base in GPL and non-GPL.

Important note: for commercial use of the wsdl2h code generator, webserver, UDDI code, and sample applications requires a commercial-use license. This means that commercial use of wsdl2h to generate code for product development, or the use of the UDDI source code, or the use of code from the sample Web service applications requires a [commercial software development license](#). The reason for this is that the wsdl2h tool, UDDI and some of the sample applications are not developed at Florida State University. Please contact me by email if you have any questions on licensing and software support: engelen AT acm DOT org.

gSOAP and GPL

The GPL license is a common open-source license. The GPL requires all software development to be open-sourced under GPL, or GPL-compatible licenses, which excludes proprietary licenses. The gSOAP software does not include any third-party GPL code. All software was built from the ground up. Note that the GNU Bison and Flex tools are used to generate source code for the gSOAP soapcpp2 compiler. However, the Bison/Flex-generated source code is not restricted by the GPL or LGPL terms. Non-GPL third-party contributions are included in the 'extras' directory in the package and you are free to use these contributions. Suggested changes and improvements by vendors were accepted under the public gSOAP license (not GPL), which includes support for VxWorks and Apache and IIS modules for gSOAP.

The gSOAP Public License

The [gSOAP Public License 1.3](#) is based on [MPL1.1](#) (Mozilla Public License 1.1).

The license allows for commercial and non-commercial use of gSOAP without fees or royalties. It also allows products to be built on top and distributed under any license (including commercial). Products developed with gSOAP should include a notice of copyright and a disclaimer of warranty in the product's documentation (License Exhibit B).

The gSOAP public license requires modifications that are distributed as part of an open source product based on gSOAP to be submitted back to us.

Note that the wsdl2h tool, UDDI code, Web server, and sample applications are NOT covered by the gSOAP public license. These are offered under a choice of GPL or commercial licensing.
